

Otaru

Surrounded by nature on the coast of Japan,
Otaru Aquarium houses over 250 kinds of rare fish and other animals.
In addition, there are some great shows and events, such as:

The Dolphin Show

Come and see dolphins perform incredible acrobatic tricks at our famous dolphin show. You can expect to see high jumps, backflips and other synchronized tricks!

The Penguin March

Come and see our penguins walking in a group, right in front of your eyes! The penguins dive into a pool and you can see them swimming. In winter, the penguin march is performed in Hokkaido's perfect powder snow!

The Sea Lion Show (Summer time only)

Our sea lions perform tricks for your entertainment. They jump off diving boards, perform handstands and give you an unforgettable show! You can see this performed mere meters away from you.
