

Android

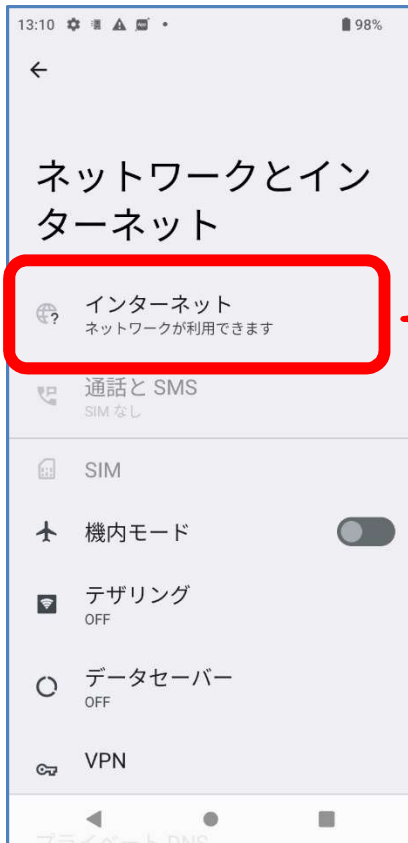

This instruction is connection procedure of campus wireless LAN “eduroam” for Android device.

【Notes】

- In the middle of work, if you are asked please chose “Cancel” or “OK” then please chose “OK” in all case.

In this instruction, please complete 12 steps.

(2) Tap

(3) Tap

The screenshot shows the eduroam configuration interface on an Android phone. The screen has a light blue header with the 'eduroam' logo. Below the header, there are several settings sections, each with a title and a list of options. Red boxes highlight specific options, and red callout boxes with numbers provide instructions for each selection.
