

Otaru Aquarium

Surrounded by nature on the shore of the Japan Sea, Otaru Aquarium houses over 250 animals and fish. You can see rare Hokkaido sea-creatures, cold-water and tropical fish. In addition, many events are held, such as:

The Penguin Stroll

Penguins walk past you from the penguin house to the sea in summer. They dive into the pool and come back to the house again. In winter, you can see penguins walking on snow.

The Stellar Sea Lion Show

Stellar sea lions jump off a diving board and stand on their hand fins right under you. You can easily see this dynamic show from start to finish.

The Dolphin Show

Dolphins jump out of the water and back in again with exciting splashes. You can also hear their cries and see them do many tricks.
