

CURRICULUM VITAE

Qingfeng Liu (刘庆丰)

Current Status

Professor of Economics
Department of Economics
Otaru University of Commerce, Japan.

Present Address

5-21, Midori 3-chome Otaru, Hokkaido 047-8501, Japan.
Phone&Fax: +81 134 27 5312
Email: qliu@res.otaru-uc.ac.jp

Citizenship

China.

Education

BA (Economics), Niigata University, Japan, March 2002.
MA (Economics), Kyoto University, Japan, March 2004.
PhD (Economics), Kyoto University, Japan, March 2007.
(Supervisor, Kimio Morimune).
Postdoctoral Research Fellow, Princeton University, USA, April,
2007- October, 2008. (Supervisor, Jianqing Fan).

Fields of Concentration

Econometrics, Statistics.

Employment

Professor of Economics, Department of Economics, Otaru University of Commerce. Japan, October
2015 - .

Visiting Scholar, Department of Statistics, Columbia University, USA, October 2018 - .

Visiting Scholar, Institute of Economic Research, Kyoto University, Japan, April 2015 - March 2016.

Associate Professor of Economics, Department of Economics, Otaru University of Commerce. Japan,
April 2009 – September 2015.

Visiting Associate Professor, Institute of Economic Research, Kyoto University, Japan, December 2012 - March 2013.

Visiting Research Fellow, Institute of Economic Research, Kyoto University, Japan, November 2008 - March 2009.

Research Associate, Department of Operations Research and Financial Engineering, Princeton University, USA. April 2007 - October 2008.

Research Fellow of Japan Society for the Promotion of Science, April 2006 - March 2008.

Lecturer, College of International Language and Communications, Kansai Gaidai University, Japan, April 2006 - March 2007.

Journal Reviewer

Journal of the American Statistical Association

Journal of Econometrics

Econometric Theory

Econometric Reviews

Scandinavian Journal of Statistics

Japan and the World Economy

Journal of Integrative Agriculture

Journal of The Japan Statistical Society

Award

Best paper award, Model Selection and Model Averaging for Nonlinear Regression Models, *International Society of Management Engineers*, June 2, 2017.

Selected Publications

- [1] Yang, F., Q. Liu, Q. Yao and G. Zhao (2021) Model Averaging for Nonlinear Regression Models, *Journal of Business & Economic Statistics*, DOI: 10.1080/07350015.2020.1870477. (All authors contributed equally to this work.)

Keynote Speeches

[27] Liu, Q., Q. Yao, and G. Zhao “Model averaging estimation for conditional volatility models with an application to stock market volatility forecast”, *The Ninth International Symposium of Quantitative Economics*, August 26, 2020, (Online, Changchun, China)

[28] Yang, F. and Q. Liu “On the Sparsity of Mallows' Model Averaging Estimator”, *2019 International Symposium of Quantitative Economics (the eighth) & The Summer Forum of the Third China Economics Annual Conference*, July 06, 2019, Jilin University, Changchun, China.

[29] Liu, Q., Q. Yao and G. Zhao “Model selection and model averaging for nonlinear regression models”, *The International Symposium on Innovative Management, Information & Production (IMIP2017)*, June 2, 2017, Wuhu, China.

Invited International Conference Talks

[30] Yang, F., Q. Liu, Q. Yao and G. Zhao “Model Averaging for Nonlinear Regression Models”, The 2019 ICSA China Conference, July 04, 2019, Nankai University, Tianjin, China.

[31] Liu, Q., Q. Yao and G. Zhao “Model Averaging Estimation for Nonlinear Regression Models”, Seminar in the Department of Statistics, Columbia University, USA, November 14, 2018.

[32] Liu, Q., Q. Yao and G. Zhao “Model Averaging Estimation for Conditional Heteroscedasticity Model Family”, *The 2nd International Conference on Econometrics and Statistics*, July 19, 2018, Hong Kong, China.
